

Thanks to a donation of 2.000,00 euros offered by Studio Associato Carnà & Partners (located in via A. De Togni 7, 20123, Milan, Italy), the enrolment fee for the Seasonal School “TRUST – TRANSPARENCY, INTEGRITY AND ANTICORRUPTION IN A PUBLIC-PRIVATE SYSTEM”, assigned in line with the criteria set out in the Call, will be covered for those students who, according to the certification uploaded in the application, will prove to have the lowest annual income.

The enrolment fees will be covered until the availability of funds is exhausted.

In the occurrence of beneficiaries with equal annual income, the chronological order in which the enrolment applications were submitted will be adopted.
